# GENERAL INFORMATION

## MEETING LOCATION

The TSPP 62nd Annual Convention and Scientific Program will be held in Fort Worth, a city rich in culture and history, at the Omni Fort Worth Hotel, 1300 Houston Street, conveniently located in the heart of Fort Worth's exciting downtown. The hotel is adjacent to the Fort Worth Convention Center and within walking distance, or via a quick ride outside the hotel's front doors, on Molley the Trolley, to the city's cultural centers, restaurants and nightlife.

## HOTEL RESERVATIONS

To place a hotel reservation at the TSPP discounted room rate of \$179 Single or Double Occupancy, **ON OR BEFORE OCTOBER 1**, please visit the Federation of Texas Psychiatry's website homepage [www.txpsych.org](http://www.txpsych.org) and click on the link located beside the program information for TSPP, November 9-11 or call 1-800-THE-OMNI and refer to the Group Name: Texas Society of Psychiatric Physicians. Function: TSPP Annual Convention & Scientific Program.

### SPECIAL REMINDER

Booking a room within the TSPP room block is an important way to help keep the overall meeting registration fee and costs as low as possible. Booking "outside of the TSPP block" or at another hotel could expose TSPP to monetary damages for hotel room block attrition which may then necessitate an increase in future meeting registration rates. Plus, staying in the hotel keeps you connected with all the activities and networking opportunities during the event. Please "help us help you" by booking your room at the hotel hosting the meeting and within the TSPP room block. As a special consideration for TSPP's attendees, the Omni will provide:

- complimentary wireless internet in the guestrooms and lobby space
- complimentary 24 hour access to fitness center for all registered guests.
- 10% discount off of hotel valet parking.

## MEDICAL STUDENTS/RESIDENTS/FELLOWS IN TRAINING POSTER SESSION
