

## *Join the Nation's Leading telePsychiatry Provider*

SOC Telemed is seeking highly qualified psychiatrists for our virtual practice. We provide hospitals with immediate 24/7 access to skilled psychiatrists and help them meet their emergency and routine psychiatric requirements via telemedicine.

### SOC's TelePsychiatrists:

- Live anywhere & practice everywhere
- Increase their clinical outreach & impact
- Work flexible schedules
- Enjoy unparalleled work/life balance

We deliver expert care to patients, a cost-effective solution for acute care hospitals, and a terrific employment opportunity for qualified psychiatrists.

## *Full Time & Independent Contractor Positions Currently Available*

SOC offers a unique opportunity for psychiatrists considering a variety of career options. Every one of our telePsychiatry positions provide physicians with incomparable clinical experience as well as professional and personal flexibility.
