PARTICIPATION POLICY – The Texas Society of Child and Adolescent Psychiatry's policy is to promote an environment of mutual respect, well-being, and collegiality at its meetings. TSCAP values and benefits from the diverse opinions its members hold on the issues with which the Society and the psychiatric profession are confronted. All individuals participating in the (live or virtual) meetings agree to conduct themselves in a manner appropriate for health care professionals. This includes respect for the intellectual property of others, proper display and use of meeting badges, and the avoidance of aggressive or inappropriate behavior towards others. Individuals participating in TSCAP sponsored meetings agree to listen respectfully to all views presented, be courteous to others regardless of whether you agree or disagree with the views presented, and to exhibit the professionalism and collegiality expected of psychiatrists. If an individual believes that these rules have been violated or acceptable social decorum has otherwise been breached, he or she shall contact TSCAP staff to help with the situation. TSCAP reserves the right to remove meeting access rights of any individual violating this policy and will not provide a refund.
